

Miss Ildze Forrest learns the techniques of teaching English from Mr. Baxter.

### STUDENT TEACHERS

The student teachers have played a significant roll in life at Atherton this year. The Torch Staff feels that their hard work deserves recognition. Some of this year's student teachers are pictured here. Others are Mr. Henry Owen, who studies history under Mr. Minton, and Mr. Les Abramson, who is under the leadership of Mr. Hoover, our band director.

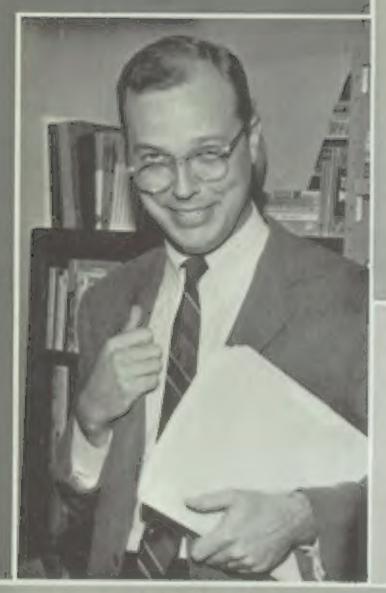

Mrs. Sharon Gibson (left) and Miss Joan Fox (above) both study English under Miss Miles and humanities under Mr. Proctor.

Miss Martha Lyon learns the art of teaching art from Miss Bernard.

The primary purpose of the Art Club is to promote aesthetic appreciation in those persons interested in the arts. We aim to introduce members to the current artists around Louisville, to their particular works and styles, and to acquaint the members, through the use of films, to the worldwide influences in art.
